## **MINUTES FOR MARCH CONTRACTOR SAFETY MEETING**

### **March 04, 2010**

- John Lindsay (Jacobs FOSC Safety)
  - Presentation on the Proper Selection of Hand Tools in Construction and Ergonomics.
- Daryl Kosturock (Bastion Technologies Safety)
  - Presentation on February 2010 construction safety findings, close calls and mishaps.
  - Presented the new SSC Construction Safety training requirements as well as where the training will be conducted and goal dates for completion.
- Questions and answer session.
  - There were several questions related directly to the training and costs associated with it. All questions were addressed immediately by Mike Rewis (NASA Safety) and Daryl Kosturock. There were no actions taken from this meeting as a result of the questions. Contractors were instructed to evaluate their training needs and to expect a Field Change Request (FCR) to obtain that information in the near future.
